

SECA fee 2022

April

Sulphur Emission Fee

As previously informed, new sulphur rules are imposed on shipping lines as per 1 January 2015 in order to reduce sulphur emission by 2016 in the Sulphur Emission Area (SECA) of the Baltic Sea, the North Sea and the English Channel.

Subsequently, shipping lines are enforcing an extra fee, which we regret having to charge our customers for shipments after 1 Jan 2015. All fees are calculated after payable weight. From January 1st 2020 the Irish Sea is being included to the Sulphur Emission Area (SECA) in order to reduce Sulphur emission even more.
